Welcome back everyone. The children were very keen to get going this morning. Many of them have grown over the holidays. We will give out new polo shirts next week. Aunty Deb has attached the health and contact details forms to this newsletter. Please return these forms as soon as possible and if your mobile number changes please come in and update the number. If your child becomes unwell we need to be able to contact you quickly.

For the first few weeks the children and staff will be working on our school agreements – thinking about how we live with and take care of each other so that we can all be happy and do our best learning.
Swimming
Some really good news is that we have been able to organise swimming lessons for weeks 2 – 4. For children to take part in swimming lessons they must complete the medical form attached to this newsletter – otherwise they will have to sit and watch. If your child is asthmatic they also need to provide a current asthma plan from the doctor.
On swimming days we will make sandwiches for packed lunches as we did last year.
Children will be dropped back home after swimming.

Swimming Carnival at Coonalpyn Thursday 18th
We will be travelling to Coonalpyn to take part in the swimming carnival. School will provide lunch and snacks for the day. Last year only a few children went to the carnival but we all had a great time. I hope everyone will go this year. There are fun events for all ages and teachers will be in the water to support the children.

Lunches
Preparing lunches for the children takes up a lot of time. Whenever possible please send lunches that don’t need cooking.
Our cooking day this year will be Wednesdays.

As always please come and see me if you have any concerns about your child.
Sue
